

WE CAN'T
overcome
WHAT WE WON'T
confess
hope for the weary mom

HOPE is not
a wish or
sprinkle of
magical
fairy dust.
hope is a person.
JESUS.

- Hope for the Weary Mom

I will never
give up on my
family and I
will never
give up on
God's ability
to move in
their hearts.

The background of the entire image is a sunburst pattern with light blue and white rays radiating from the center.

-Hope for the Weary Mom

Lay down
a habit of
weariness
and embrace
a heart of
WORSHIP

~Hope for the Weary Mom

MOTHERHOOD

is not only about raising
little people to become
thriving *Jesus-loving* adults.

Motherhood is also about
Him making me into his faithful

DAUGHTER

-Hope for the Weary Mom

Guilt has

no place

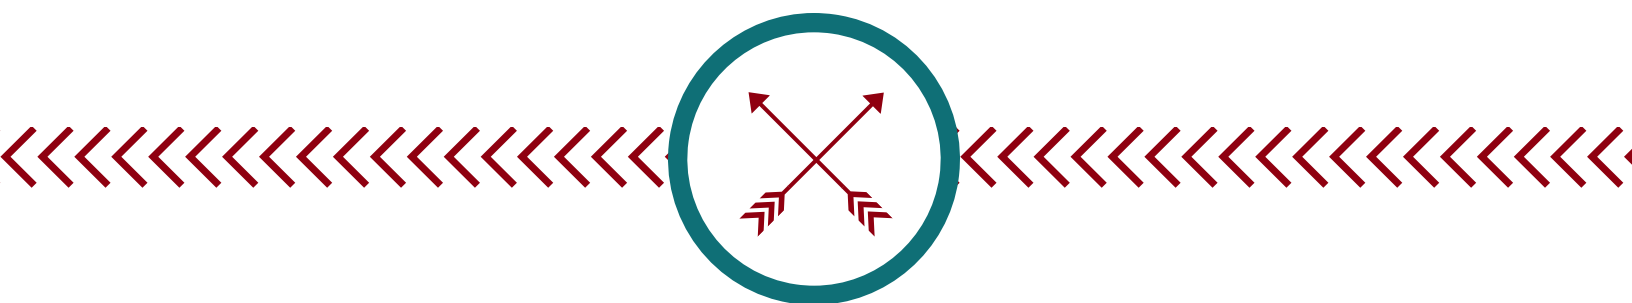

in the

space of

grace.

She
saw with
her
own
eyes...
running to Jesus
always
brings about
a miracle.
hope for the weary mom

He wants to whisper
in our ears

HOPE is here!

And in the process
He changes more
than our mess -

He changes us,

The place of our
greatest
weakness
can UNLEASH
the power of God's
greatest
GRACE

-Hope for the Weary Mom #startwithhope

Don't complicate your
life wishing you were
someone else. Be good
at who you are...

*who god made
you to be...*

know who God says
YOU are, and trust
Him to fill the gaps.

hope for the weary mom

Our *weakness*
can be the
place of God's
greatest grace -
that intersection of our
lack and God's strength-
where He takes our
mess
and makes it
beautiful.
